

Call for Papers

ICSDWE is truly international. Its publications and presentations are authored by researchers from countries throughout the world. We welcome all research results in the fields of Water and Environment.

Topics (not limited to)

1. Water Resources Management

Water Resources Systems
Climate Change Impacts on Hydrology and
Water Resources
Monitoring, Remediation, Assessment and
Protection of Water Resources
Watershed Hydrology
Erosion and Sediment Transport

2. Water and Wastewater Treatment

Causes of Water Pollution
Water Pollution Control
Sources of Waste Water
Treatment of Waste Water
Water treatment Technologies
Water Purification
Quality Indicators

3. Sustainable Development of Water

Water Quality Assessment
Water Environment Protection
Sustainable Use of Water Resources
Water Recycling and Reuse

4. Environmental Science

Environmental Protection
Environmental Engineering
Environmental Planning and Assessment
Environmental Analysis and Monitoring
Pollution Control Project
Human-Environment Interactions

5. Environmental Sustainability

Environmental Systems Approach
Renewable Sources of Energy Savings
Clean Technologies

Submission

1. Submit by Openconf system:

<http://icsdwe.org/openconf/openconf.php>

2. Submit by email: cfp@icsdwe.org

Note: Please choose one way to submit, do not make duplicate submissions.

Publication

All accepted papers will be published Springer Series *Environmental Science and Engineering* [ISSN: 1863-5520]. And then submitted to major database EI-Compendex, Scopus and so on.

Important Date

Submission Deadline: March 30, 2023

Notification Date: April 28, 2023

Keynote & Invited Speakers

Prof. Jidong Gu
Guangdong Technion
- Israel Institute of
Technology, China

Prof. Peiyue Li
Chang'an University,
China

Assoc. Prof. Xiaosheng Qin
Nanyang Technological
University, Singapore

Dr. Jian Zang
Chongqing University,
China

Sherry Chen
